

Dear Parents

The summer is here and the season is fast approaching. It is important that your son participating in football does everything he can to physically prepare for the season. This letter is to provide you with valuable information.

Here is a list of events and opportunities:

Starting June 22, Falcon Performance. This is a new program this year that we just put together. We are fortunate to have Adventure 212 helping us train all of our athletes this summer. Please see the enclosure. This is open to everyone (boys and girls) going into 6th grade and through 12th grade. This is a tremendous value and will help everyone improve and reduce injury risk.

Monday nights 5 PM to 6 PM 9th – 12 grade 7 on 7 at Madison Elementary School in Stevens Point. This is a summer league where we play touch football against other area schools. This started last week.

June 27, SPARQ Football Camp at Goerke Field in Stevens Point. This is the 4th year of this event. It is free all you have to do is register here:
